## Ephesians 6

**6** <sup>1-3</sup>Children, do what your parents tell you. This is only right. "Honour your father and mother" is the first commandment that has a promise attached to it "so you will live well and have a long life." <sup>4</sup>Fathers, do not exasperate your children by coming down hard on them. Take them by the hand and lead them in the way of the Master.

## Proverbs 22:6

Train up a child in the way he should go; even when he is old, he will not depart from it.

Hierdie is my laaste brief van 2020. Die verse hierbo gee leiding oor ouerskap. Neem verantwoordelikheid vir u kinders. Hou hulle veilig, maak seker dat u weet waar hulle is en wie hul vriende is. Wees 'n voorbeeld vir u kinders.

Daar is ongelukkig leerders wie hierdie jaar druipe. Die ontstellende feit is dat die druipeleëne een ding in gemeen het, hulle was almal baie afwesig.

As a parent you are responsible for the education and care of your child. The example you set will influence your child's decisions in life. Please make sure that your child can depend on you for love and care.

Thank you to parents who makes time for their children. Respect, good manners, and a drive to be successful in life does not cost a cent. To spend time with your child is of utmost importance. Talk to your child and be there for him/her. They are looking for someone to be their role model. If your child does not find it in you, he or she will look for it in wrong places.

Ek bid u almal 'n pragtige rustyd toe en hoop dat ons saam 'n beter 2021 sal beleef.

Bly veilig en volg alle Covid protocol.
